Semi-Flush (Low Profile) (Chrome & Opal Glass)

Modern lanterns featuring a handsome beveled cage design make a modern, elegant statement in the Smyth collection. Clean geometry creates contemporary style with steel candles and candelabra bulbs encased in two glass options. The fixtures are offered in 3 finishes: Chrome, Gunmetal Bronze and White Gold. The gleaming Chrome finish adds a sleek, contemporary option to this open-caged collection. A darker option, the Gunmetal Bronze finish has warm bronze undertones and is perfect for all industrial or vintage aesthetics. The White Gold finish softens the geometric form, creating a more delicate and transitional appearance. Glass fixtures are available with Clear Glass or Opal Glass shades. Ideal for a hallway, nook or entry, this convertible semi-flush can be hung as a flush mount or a pendant.
